CIVIL ACTION NO. 1:23-CV-075

ADVISORY

On June 22, 2023, the Court granted Plaintiff Florentino Rios's Motion to Dismiss (Doc. 7), dismissing without prejudice all of Rios's claims against Defendants Space Exploration Technologies Corporation, John Doe Company, and John Doe.

On August 4, Rios and Space Exploration Technologies Corporation filed a Joint Stipulation of Dismissal (Doc. 10). Under Federal Rule of Civil Procedure 41(a)(1)(A)(ii), such a filing automatically dismisses the plaintiff's causes of action without court order. In this case, the Court has already dismissed those causes of action.

Signed on August 9, 2023.

Fernando Rodriguez, Jr.
United States District Judge
